(Continued From Page 4-B)  
husky shotputter on the track team, who played blocking half last year. If Hansen comes up to the standard expected of him, he will lead the Trojan interference. Ed. Shuey, Bob Sanders, Bill Radovich and a star sophomore, Earl Haas, are other candidates at guard.  
The fullback spot appears open for competition on the part of dark horse candidates. The eligibility of Glenn Thompson, one of the Coast's best line plungers, is in doubt. If Thompson is unavailable, Angelo Pec-

cianti, who performed at sub-quarter for the frosh, appears to have first call.  
Captain Kuhn at Center  
The center job is cinched, barring injury. The occupant will be Capt. Gilbert Kuhn, who is the Trojan nomination for All-America honors in 1936 despite the presence on the Coast of such centers as Bob Merwig of California and Sherman Chavoor of U. C. L. A. Coaches regard the trio as the best set of centers ever to appear in the Pacific Coast conference at the same time.  
"Some of the boys who will be sophomores this fall appear to have some of the speed and agility in spring practice that we have lacked in recent seasons,"

### Dog Insures Sheep Profit

DUNLAP, N. M., (U.P.)—W. C. Dunlap, Jr., says that the best insurance for sheep profit is a good dog. Last year he caught 40 coyotes with his dogs, with a best average of five in one day.  
said Jones. "I don't like to put them on the spot by making predictions for them, but I'm sure that our team will be a big improvement on the elevens of 1934 and 1935."  
"We face a terrific schedule by meeting, in order, Oregon State, Oregon, Illinois, Washington State, Stanford, California, Washington, U.C.L.A., and Notre Dame, with the Illinois, Stanford and Washington games away from home."

### Baseball School Opens Next Week

For the benefit of those who want to learn the fundamentals of baseball, soft and hard variety, a baseball school will be opened at the Recreation Center, 1916 Border avenue. Instruction is free and anyone who wants to learn all about baseball is welcome to attend. The hard ball chalk talks will start Tuesday, Sept. 22, and will be held each week on Tuesday evening at 7 o'clock. The soft ball talks will be given on Friday evening, starting Sept. 25. Those who wish to enroll are asked to see Mr. Dow or Mr. Chambers at the ball park.

### Classy Prospects Seen In Practice At Compton J. C.

Football prospects at Compton Junior College are the brightest that they have been during the past four years, as more than 70 candidates reported to Coaches Gordon Clark and Eddie Suggett for workouts during the first week of practice. Included among the athletes are five reserves from last year's varsity.  
The five returning lettermen are: Homer "Zip" Kennedy, quarterback and former Jordan high of L. A. star; David Mushkina, fullback and former ace ball-toter at Downey high; Wallace Ausman and Carl Hanson, former Compton prepsters, tackles; and Paul Garrison, guard.

### Huskies Rated As Stand Out Coast Eleven

Phelan Loses Only Three Regulars and Has 17 Lettermen  
By WENDELL H. BROYLES  
United Press Staff Correspondent  
SEATTLE, (U.P.)—A Minnesota football giant, unbeaten in three years, and "the greatest University of Washington team in a decade" will clash in Seattle September 26, in an outstanding season opener and the first nationally important inter-sectional contest.  
Overshadowed by Southern California five years and under the domination of Bobby Grayson and his Stanford mates who held the crown for three seasons, the Huskies are rated this season as one of the teams to beat on the coast.  
Jimmy Phelan, one of Rockne's greatest quarterbacks at Notre Dame, has 17 lettermen back at Washington. He lost only three regulars from last year's eleven, Capt. Dan Lazarovich and Ted Markob, ends, and Abe Shpey, guard who played in the Shrine East-West game at San Francisco New Year's day.  
New Ends Developed  
Phelan's most promising discovery in a wild spring practice search for wingmen to fill the spots left vacant by his two departing veterans, was reserve Dick Johnson, who wears the crown of the University's heavy-weight boxing champion. Frank Peters, 170 pound sophomore from Chicago, was the other regular in spring training.  
For tackles there are Chuck Bond, Hoquiam, Wash., boy who bid for all-coast honors as a sophomore and then barely retained his job last fall after a bad slump and Jack McKenzie of Butte and bull-necked Vic Markov will vie for another spot.  
Burly Max Starcevic, two-year Husky veteran from Duluth, who was unanimous All-Coast last year, is sure of one guard post. Frank Mattes, reserve last season, Steve Slivinski, yearling standout last season, and stubby Art Means, are all capable of winning the other job.  
Center appears well covered. John Wiatrak, who took his prep work at DePaul in Chicago, a two year veteran, is the regular. Bud Erickson, battling but erratic, will back him up.  
The Huskies' backfield quartet will be playing its fourth consecutive year together and is the standout backfield of the coast. Elmer Logg, for two seasons the coast's outstanding punter at quarter; stubby Jimmy Cain, battling Southerner from Holdenville, Okla., the home of Dizzy Dean; elusive By Haines, the husky most consistently mentioned for All-America honors; and burly Ed "Bronco" Nowogroski at fullback. Haines, Cain and Nowogroski have received all-coast mention the past two seasons.

### Fair's Horse Show Prizes Total \$20,000

PONOMA, Sept. 17.—Prospects of another brilliant night horse show at the Los Angeles county fair in Ponoma were seen today in announcement that \$20,000 in premiums is being offered in the 79 different classes on the program for the 10 nights of the tanbark spectacle beginning Sept. 18, opening day of the fair, and closing Sept. 27.  
Twelve of the events are stakes, one of them for \$1,700 and the other 11 for \$500 each. The big stake is to be for heavy draft horses.  
The 11 stake events for \$500 each are for fine harness horses, roadsters, harness horses, harness ponies, three-gaited saddle horses, junior five-gaited saddle horses, five-gaited saddle horses, hunters, jumpers, stock horses and harness ponies and Shetlands.  
The night horse show this year is to have three entirely new classes, one of these to be for two-year-old fine harness horses, one for roadsters under saddle, and the other for harness ponies, single, high action.  
C. B. Afterbaugh, manager of the fair, is planning to again make this night spectacle one of the most colorful of any horse show staged in the United States, the premium list already assuring entries of sleek-coated horses from foremost stables in a number of different states.  
In the flower-bordered, outdoor arena in front of the grandstand, the throngs of fairgoers will see seasoned champions of the various divisions, including the saddle horses, hackneys,

draft horses, stock horses, ponies and the many other entries which go to make up a horse show.  
Gassman Is Iceman  
TOLEDO (U.P.)—Andrew Gassman is an iceman for the People's Ice Co. Gassman, iceman, causes a lot of confusion.

uating from Torrance Merrill attended U. C. L. A.  
"Bert" Merrill, as his friends and former school pals usually refer to him, was one of the best football and track athletes ever to be produced in Torrance. Back in 1931 Bert broke the school's 120-yard high hurdle record, and held it until this year, when Jack Piper travelled the distance a scant 1:10 second faster. His was the oldest varsity record on the books. Time: 1:14. Bert earned varsity letters in track three years, 1929, 1930 and 1931.

One of the greatest ends ever produced on a local gridiron was Bert Merrill. He was selected last year on the Citizens All-Time, All-Torrance football team (varsity) at right end. A three time winner of the coveted "M" in football, 1929, 1930 and 1931.  
Bernie Donahue will give Bert full charge of basketball and track, taking for himself, football and baseball. Both coaches will handle physical education. Bert is working with the "B" football team, and hopes to have a team that will go places in the minor circuit this year.

A need that Torrance has been long looking forward to. Good luck Egbert Merrill, may you have a lot of success in your future athletic teams.

Here Are A Few More Athletes For the "Mighty Trojans"

Don't think that the Alumni of U. S. C. has been sleeping the past few months, if you do, than read on. . . . These boys have entered the Trojan school of athletics, along with many more that this column has printed in the last few weeks. George W. Crosbie, who was on the American Olympic teams 30,000 meter walk. Crosbie hails from Baltimore, Maryland, and is very good at distance running. . . . Wayne Cardwell, who has stepped the quarter in 49.1 and the 880-yard dash in 1:56. He is a native of North Worth, Texas. . . . Philadelphia, Pennsylvania, sends Joe McCabe, who runs the century in :09.7; the 440-yard dash in :49 flat and the 880-yard dash in 1:56. McCabe also ran anchor on the world's record relay 4-man, 2-mile high school team. . . . Northern California sends Harry Alldis, freshman fullback who is 5 foot 9 inches and weighs 198 pounds. . . . Wisconsin sent Joe Kelly, star basketball player for the Trojans, but was not satisfied, so they now send Bill Kelly, Joe's brother, who happens to be a "red hot" football player. Bill is a backfield man. . . . Mickey Anderson, brother of George Anderson of California University is out for freshman football. He is trying for a backfield berth. Those Trojans really get their man when they try.
